3. In the event of a disagreement the lot may be put up for sale again at the sole discretion of the auctioneer.
4. Payment is by cash or card (credit/debit) only.
5. No lot shall be removed from the sales ring without first obtaining a payment receipt from the Auction Desk. This must be given to a steward who will check the receipt before releasing the goods.
6. It is recommended that all second-hand equipment is sterilised before use.

Advice to Sellers

8. Bees for sale are to be delivered between 8.30 and 10.00. Bees are to be in ventilated, sealed hives - not free flying. No bees are to be placed without permission and those placed with permission must remain sealed as they will need to be removed when the auction closes when it will still be daylight. Any hives found to be leaking bees are to be removed from the auction site **immediately** and will not be sold.
9. **All live bees offered for sale must have been inspected by a CBKA Inspector prior to the Auction. All inspected frames will be marked by the Inspector and documentary evidence provided to support this.**

10. Sellers of bees should fix a card on the outside of the nuc. box or hive giving the following details:-
